Chairman for March 1977
DCI Management Advisory Group

Dear Art,

STAT
STAT

I regret that I am unable to complete my full term of service on the DCI Management Advisory Group due to my upcoming PCS assignment to the [redacted]

[redacted] Although I will not be departing Headquarters on a permanent basis until mid-June, I will be unable to participate in any additional MAG activities due to my scheduled attendance at several training courses and other necessary preparations prior to my new assignment.

Although my tenure on the MAG has been somewhat brief, I have thoroughly enjoyed the opportunity to serve as a member of the group. As discussed in our 10 March meeting, I feel that the MAG has a unique mixture of duties and responsibilities which provide it with the challenge of making a substantive contribution to the betterment of the Agency as a whole. I will miss the thought-provoking, lively discussions of the MAG and am grateful for the enhanced knowledge of some of the intricacies of the Agency and its problems which I have gained as a result of my membership in the group. Good luck to you and all the members in your continuing efforts.

Sincerely,
